

2023

Quality Improvement Plan Summary

Dernancourt Kindergarten 4613

Service approval number:

SE00010293

Goals	Challenge of Practice	Success Criteria
To strengthen children's use and comprehension of powerful and specific vocabulary.	If we intentionally provide a range of vocabulary rich experiences, we will strengthen children's use and comprehension of powerful and specific vocabulary.	Analysis of our pedagogical documentation indicates: <ul style="list-style-type: none">• Children are using a diverse range of vocabulary in a wide range of play experiences and in their everyday moments• Children demonstrating meaningful connections with texts, comprehending the use of powerful (tier 2) and specific (tier 3) language• Children's vocabulary increasing in complexity in their created texts and oral publishing

National Quality Framework Priorities	Key steps
Reviewing the National Quality Standards Strengths statement with reference to the three themes for exceeding practice.	Set aside dates for staff team to attend Spotlight sessions Share information with new staff member Provide support materials for all staff Set time aside in staff meetings/programming sessions
Review Site Philosophy with new staff team.	Share existing philosophy with new teacher Discuss with whole staff team. Is this an accurate reflection of our team, work, beliefs, and values Reflect on Dernancourt's Philosophy and connections with the Preschool Position Statement Seek input from Governing Council
